

Exhibit: Medical Support Order

Warning! If you disobey a Court order to pay for or provide health insurance for the children, the law says you will have to pay for ALL needed and reasonable health costs, even if those costs would not have been covered by an insurance policy.

The Court makes the following orders:

IT IS ORDERED that _____
(Name of person to pay health insurance/ medical support, Insuring Parent)

2. Insurance / Medical Benefits

The Insuring Parent IS ORDERED to pay for and enroll the children in a health insurance policy offered through either parent's work or membership in a union or organization, if it is available at a reasonable cost (not more than 9% of his/her annual resources), and it provides doctor services, office visits, hospitalization, laboratory, X-ray, and emergency services.

If the Insuring Parent obtains health insurance through the other parent's work or membership in an organization, that other parent is ordered to include the child in his or her health insurance. The Insuring Parent is ordered to reimburse the other parent for the **actual cost** of insuring the children in this case, as described below.

If insurance is **not** available through either parent's work or membership in a union or organization at a reasonable cost, the Insuring Parent IS ORDERED to get insurance / medical benefits for the children using any of these options:

1. Buy an individual policy to cover the children, and give the other parent the required health insurance information listed below, **or**
2. Get public health insurance. (For information, contact TexCare Partnership: 1-800-647-6558, www.texcarepartnership.com), **or**

The Insuring Parent must give the other parent the following information, **within 30 days** of the date of this Order:

5. Reimbursement for Actual Cost to Insure Children in this Case

If the Insuring Parent obtains health insurance for the children through the other parent's employment, the Insuring Parent must reimburse the other parent the **actual cost** of insuring the children in this case (*but not more than 9% of the Insuring Parent's annual resources*).

*If the other parent has other children covered by the same health insurance plan, determine the **actual cost** of insuring the children in this case by doing this: Divide the total cost of insuring all children covered by the plan by the total number of children insured. Then, multiply that number by the number of children in this case.*

The Insuring Parent is ORDERED to pay the actual cost of the health insurance for the children as additional child support, with the first payment of \$_____ due on the first day of the first month after this Decree is signed, and a like payment due on the first day of each month thereafter, until there is a change in the actual cost of the health insurance for the children in this case.

Starting on the first day of the month after each change in the actual cost of health insurance for the children in this case, the Insuring Parent is ordered to pay the other parent the actual cost of insuring the children, and must continue to make like monthly payments on the first day of each month thereafter until there is another change in the actual cost of health insurance for the children in this case.

IT IS ORDERED that these additional payments for reimbursement of health insurance expenses shall be made through the **Child Support State Disbursement Unit, PO Box 659791, San Antonio, Texas, 78265**, and thereafter promptly remitted to the other parent for support of the children.

IT IS FURTHER ORDERED that payments made by the Insuring Parent for the reimbursement of health insurance premiums to the other parent shall stop if the Insuring Parent enrolls the children in a health insurance or medical benefits program, as described above, and the Insuring Parent provides the other parent or the IV-D agency, if needed, the information listed in paragraph III, above.

If the insurance company sends reimbursement for services, it must be given to the parent who made the expense, within 3 days. If payment is not in that parent's name, the other parent will endorse the check and forward the payment.

6. Filing Claims

Either parent may file a claim. If claim forms or other information are needed for reimbursement, the parents must provide that information within 10 days of the request.

7. Additional Insurance

Either parent may get additional health insurance for the children, at his/her own cost. If the additional insurance expands coverage for the children, the parents are ordered to make the benefits available.

8. Costs not covered by Insurance

- A. If the insurance does not cover all of the health care costs, the parents must each pay half (50%) of the health care costs not covered by the insurance, including:

- Annual deductibles
- Co-pays
- Charges for dental, vision, and orthodontic care
- Charges for prescription drugs

(Travel costs and the cost of over-the-counter drugs are NOT included.)

- B. **Notify the other parent about health care costs:** Each parent must notify the other parent of the health care costs incurred within 10 days. After being notified, the other parent has 10 days to pay his/her portion of the health care cost. The court considers all health care costs to be reasonable, even if denied by the health insurance company.
